In re Application of :  
Annie Fong et al :  
Serial No.: 09/186,475 : WITHDRAWAL OF ABANDONMENT  
Filed: November 4, 1998 :  
Attorney Docket No.: 038602-0297 :

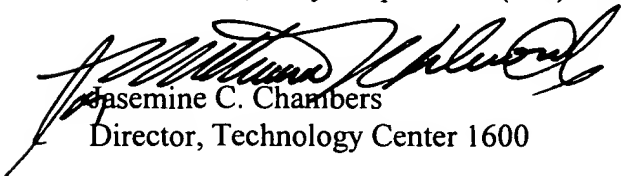

This is in response to the petition under 37 CFR 1.181, filed March 19, 2003, requesting withdrawal of abandonment based on a timely filed reply.

A review of the file history shows the examiner mailed a Final Office action to applicants on May 21, 2002, setting a three month shortened statutory period for reply. Applicants replied on November 21, 2002, with an amendment after final rejection, a Notice of Appeal and a request for a three month extension of time and fees therefor. The examiner mailed an Advisory action to applicants on January 28, 2003, indicating entry of the amendment but that it did not place the case in condition of allowance. The examiner also indicated that the Appeal Brief was due in view of the Notice of Appeal filed October 1, 2002. The correct date for receipt of the Notice of Appeal is November 21, 2002. The examiner mailed a Notice of Abandonment to applicants on February 26, 2003, since the Notice of Appeal was never entered in the electronic data base and the application appeared to be abandoned. The Notice of Abandonment was mailed in error and is withdrawn and the application restored to pending status with the mailing of this decision. Applicants have, since the filing of this petition, filed RCE papers on April 21, 2003.

Applicants' petition is **GRANTED**.

**The application will be forwarded for entry of the Notice of Appeal and the RCE papers and then forwarded to the examiner.**
